Independent Auditor's Report

To the Board of Directors of National Council on U.S. – Arab Relations Washington, D.C.

We have audited the accompanying financial statements of National Council on U.S. – Arab Relations (a nonprofit organization), which comprise the statements of financial position as of August 31, 2021 and 2020, and the related statements of activities and changes in net assets, functional expenses, program services and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of National Council on U.S. — Arab Relations as of August 31, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

The National Council on U.S. – Arab Relations (the "Council") is a nonprofit organization that seeks to enhance understanding, awareness, dialogue, and bonds of friendship between the peoples of the United States and the Arab countries, the Mideast, and the Islamic world. They achieve their educational mission through programs such as conferences, youth programs, internships, and lectures.

Program Services

Annual Policymakers Conference: Gathers internationally renowned specialists to analyze, discuss, and debate important issues to the American and Arab people's needs, concerns, interests, and foreign policy objectives. Arab and American leaders from government, the military, business, and academe share privileged information and insight that is vitally important to the definition of issues and the direction of policy formulation and implementation in American and Arab governments alike.

Hon. J.P. Malone Fellowship: Provides firsthand exposure to Arab and Islamic cultures for academics through participation in two to three-weeks' structured educational experiences in an Arab country. The Council's staff escorts groups of eight to twenty people to meetings with university colleagues, government ministries, diplomatic personnel, religious leaders, chamber of commerce officials, business executives, and representatives of select media and cultural institutions in the selected Arab countries.

Youth Programs: Offers undergraduate and graduate students an energizing and demanding mix of professional involvement, intellectual challenge, career exploration, and cultural encounter. Participation in twice weekly seminars is designed to provide a greater depth of knowledge about the Arab world, to understand the cultural, economic, and political diversity of Arab states, and explore the intricacies of Arab – U.S. relations.

Model Arab League: Offers students opportunities to learn, practice, and develop leadership skills. In the process, the participants, guided by faculty advisors, deepen their knowledge and understanding of Arab social, economic, cultural, and political issues.

Congressional and Public Affairs Briefings: Foster educational opportunities to the public on Capitol Hill and around Washington, D.C., where an assemblage of domestic and internationally renowned specialists analyze, discuss, and debate issues of importance to the relationship between the U.S. and the Arab countries, the Middle East, and the Islamic world. These events examine how to strengthen and expand mutual Arab – U.S. trust, confidences, and benefits while examining a range of complex issues, interests, and policies.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Program Services (Continued)

HRH Prince Alwaleed Bin Talal Fellowship Program: Designed to expose a new generation of American college and university faculty members to the Arab world through National Council study visits. The visits empower the educators to become ambassadors of goodwill who can transmit increased knowledge and understanding of the Arab world so as to counter any imagined "clash of civilizations" as well as counteract false stereotypes of Arab culture and civilization that have tainted American understanding of Islam and the Arab world.

Basis of Accounting

The financial statements of the Council have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables and payables.

Financial Statement Presentation

The Council presents its financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") for financial statements of nonprofit organizations. Under these accounting standards, the Council is required to report information regarding its financial position and activities according to two classes of net assets: without donor restrictions and with donor restrictions. In addition, the Council is required to present statements of functional expenses and cash flows.

Classification of Net Assets

Net assets of the Council and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions — Net assets that are free of donor-imposed stipulations and are fully available to utilize for any program or supporting services. All revenues, gains, and losses that are not restricted by donors are included in this classification. All expenditures are reported in the without donor restrictions class of net assets, including expenditures funded by restricted contributions. Expenditures funded by restricted contributions in accordance with donors' stipulations results in the release of such restrictions. The Board of Directors (the "Board") may designate certain amounts to be utilized or invested to meet specific objectives of the Council.

Net Assets With Donor Restrictions — Net assets subject to donor-imposed stipulations that may expire with the passage of time or that may be satisfied by actions of the Council. When donor stipulations expire, net assets with donor restrictions are reclassified to net assets without donor restrictions and are reported in the statements of activities and changes in net assets as net assets released from donor restrictions.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition

Revenue from contracts with customers primarily consists of conference fees and sponsorships. Revenues are recognized when control of the promised goods or services is transferred to our customers, in an amount that reflects the consideration we expect to be entitled to in exchange for those goods or services. These revenues are recognized net of discounts, waivers, and refunds. We determine revenue recognition through the five-step model prescribed by Topic 606 as follows:

- Identification of the contract, or contracts, with a customer;
- Identification of the performance obligations in the contract;
- Determination of the transaction price;
- Allocation of the transaction price to the performance obligations in the contract;
- Recognition of revenue when, or as, performance obligations are satisfied.

Performance Obligations

A performance obligation is a promise in a contract to transfer a distinct good or service to the customer. A contract's transaction price is allocated to each performance obligation identified in the arrangement based on the relative standalone selling price of each distinct good or service in the contract and recognized as revenue when, or as, the performance obligation is satisfied. The primary method used to estimate the standalone selling price is the adjusted market assessment approach, under which we evaluate the market and estimate a price that a customer would be willing to pay for the goods and services we provide.

The Council's performance obligations for conference fees and sponsorships are primarily satisfied at the point in time of events. The transaction price is determined based on gross price, net of discounts or refunds.

We have elected the optional exemption to not disclose amounts where the performance obligation is part of a contract which has an original expected duration of one year or less. We expect to recognize substantially all revenue on these remaining performance obligations over the next 12 months.

Contract Balances

The timing of billings, cash collections, and revenue recognition may result in accounts receivable (contract assets) on the statements of financial position. Receivables are only recognized to the extent that it is probably that the Council will collect substantially all of the consideration to which it is entitled in exchange for the goods and services that will be

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition (Continued)

transferred. The Council may receive advance payments and sponsorships for programs which are recorded as deferred revenue.

Costs to Obtain a Contract

The Council have elected the practical expedient available in ASC 340-40, in which any incremental costs of obtaining a contract are recognized as an expense when incurred if the amortization period of the asset that would have been recognized is one year or less.

Practical Expedients and Optional Exemptions

We have made an accounting policy election to exclude from the measurement of the transaction price all taxes assessed by governmental authorities which are both imposed and concurrent with the specific revenue-producing transactions and collected by the entity from our customers, e.g., sales and use taxes.

Income Taxes

The Council is incorporated under the laws of the District of Columbia for charitable, educational, and scientific purposes as defined by Section 501(c)(3) of the Internal Revenue Code. However, income from certain activities not directly related to the Council's tax-exempt purpose is subject to taxation as unrelated business income. In the opinion of management, the Council has unrelated business income less than the threshold requirement to pay unrelated business tax.

Accordingly, no provision for federal income taxes has been reflected in the accompanying financial statements.

In addition, the Council qualifies for the charitable contribution deduction under Section 170(b)(1)(A)(vi) and has been classified as an organization other than a private foundation under Section 509(a)(1). The Council evaluates uncertainty in income tax positions based on a "more-likely-than-not" recognition standard. If that threshold is met, the tax position is then measured at the largest amount that is greater than 50% likely of being realized upon ultimate settlement. The Council evaluates uncertain tax positions such that the effects of the tax positions are generally recognized in the financial statements consistent with amounts reflected in returns filed, or expected to be filed, with taxing authorities. As of August 31, 2021 and 2020, the Council has determined that no accruals for uncertain tax positions are required at this time.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Functional Expense Allocation

The costs of providing various programs and other activities have been summarized on a functional basis in the statements of activities and changes in net assets.

The Council directly charges expenses to the benefitting function where possible. For costs that benefit more than one function, the costs have been allocated within the statements of activities and changes in net assets, functional expenses, and program services, based on time records and estimates made by the Council's management.

Estimates

Management uses estimates and assumptions in preparing financial statements in conformity with U.S. GAAP. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported revenues and expenses during the reported period. Actual results could differ from those estimates.

Contributions

Contributions received are recorded as with or without donor restriction depending on the existence and/or nature of any donor restrictions. All contributions received are considered to be without donor restriction unless specifically restricted by the donor.

Recognition of Donor Restrictions

All donor-restricted support is reported as an increase in net assets with donor restrictions depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities and change in net assets as net assets released from restrictions.

Property and Equipment

All acquisitions of property and equipment in excess of \$5,000 are capitalized. Property and equipment are carried at cost, if purchased, or at fair value on the date of donation, if contributed. Depreciation is computed using the straight line method over the estimated useful lives of five years for furniture and fixtures and computer equipment. Leasehold improvements are amortized using the straight line method over the estimated useful lives of 15 to 39 years.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Collections

Donated collection items for which detailed curatorial records were available are carried at fair market value at date of donation with no subsequent change. Gains and losses from deaccessions are reported as changes in net assets based on the absence or existence and nature of donor-imposed restrictions. Collection items are protected, kept unencumbered, cared for, and preserved.

Deferred Revenue

Income from sponsorships is deferred and recognized over the periods to which the sponsorships relate.

Deferred Lease Liability (Asset)

Certain costs incurred in connection with leased property are amortized on the straight line method over the term of the related lease agreement.

NOTE 2- NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions are available for the following purposes at August 31:

NOTE 3 – FAIR VALUE MEASUREMENTS

The fair value of financial assets and liabilities is measured according to the Fair Value Measurements and Disclosures Topic of the FASB Accounting Standards Codification. Fair value is required to be evaluated and adjusted according to the following valuation techniques:

Level 1 – Fair value is determined using quoted market prices in active markets for identical assets and liabilities.

Level 2 – Fair value is determined using quoted market prices in active markets for similar assets and liabilities.

Level 3 – Fair value is determined using unobservable market prices in a market that is typically inactive.

NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)

Assets at Fair Value as of August 31, 2021

NOTE 4 – RETIREMENT PLAN

The Council adopted a defined contribution retirement plan effective August 1, 1988, for the exclusive benefit of eligible employees and their beneficiaries. An employee is eligible for participation after completing one year of service. Contributions are made monthly to the plan and are equal to 10% of each participant's eligible compensation for the years ended August 31, 2021 and 2020. Total employer retirement plan contributions made for the years ended August 31, 2021 and 2020 were \$65,775 and \$73,061, respectively.

NOTE 5 – OFFICE LEASE

The Council leases office space in Washington, D.C. The Council signed a lease extension effective August 1, 2018 for 88 months. The lease expires November 30, 2025. The extension agreement calls for base monthly rent payments of \$9,610 for the first year of the extended lease with a 2.50% increase in base rent at each anniversary date of the lease extension. The lease extension also calls for the Council to pay its pro-rata share of the building operating expenses and real estate taxes.

Rental expense for the years ended August 31, 2021 and 2020, including pro-rata share reimbursements and a monthly storage charge of \$250, totaled \$118,415 and \$125,977, respectively.

Future minimum lease commitments on the noncancellable operating lease are as follows for the year ending August 31:

2022	\$ 124,448
2023	127,559
2024	130,748
2025	134,017
2026	<u>34,270</u>
Total	\$ <u>551,042</u>

NOTE 6 – CONCENTRATION OF CREDIT RISK

The Council maintains its cash balances at one financial institution located in Washington, D.C.

The balances are insured by the Federal Deposit Insurance Corporation ("FDIC") up to \$250,000 by the bank for all accounts. The Council has not experienced any loss in such accounts and does not believe it is exposed to any significant credit risk with cash and cash equivalents. As of August 31, 2021, the Council held approximately \$86,000 in excess of FDIC insurance limits.

NOTE 6 – CONCENTRATION OF CREDIT RISK (CONTINUED)

The Council maintains an account with two brokerage firms. The Security Investor Protection Corporation (SIPC) insures account balances up to \$500,000. As of August 31, 2021, account balances held at the brokerage firm exceeded the \$500,000 insurance limit by approximately \$3,388,000.

NOTE 7 – LIQUIDITY AND AVAILABILITY OF FUNDS

The Council maintains a policy of structuring its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

The Council's financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date, are as follows at August 31:

	<u>2021</u>	<u>2020</u>
Cash and Cash Equivalents	\$ 386,777	\$ 617,457
Accrued Interest Income	2,578	2,578
Investments	<u>3,860,237</u>	<u>3,143,061</u>
Total Financial Assets	4,249,592	3,763,096
Less Amounts Not Available to be Used For General		
Expenditures Within One Year:		
Donor Restricted Net Assets	(45,484)	(62,337)
Financial Assets Available to Meet General		
Expenditures Within One Year:	\$ <u>4,204,108</u>	\$ 3,700,759

NOTE 8 – SUBSEQUENT EVENTS

The Council evaluated subsequent events through the date that the financial statements were available to be issued. The Council has identified no significant events that occurred subsequent to the statement of financial position date but prior to February 28, 2022 that would have a material impact on the financial statements.

NOTE 9 - PAYCHECK PROTECTION PROGRAM

In April 2020 the Council applied and was approved for a loan in the amount of \$107,786 under the Paycheck Protection Program (PPP)created as part of the relief efforts related to COVID-19 and administered by the U.S. Small Business Administration. During the year ended August 31, 2021 the Council recognized \$107,786 in income from the PPP for amounts spent in accordance with the terms of the PPP.

NOTE 9 – PAYCHECK PROTECTION PROGRAM (CONTINUED)

On February 16, 2021, the Council received additional loan proceeds in the amount of \$107,785 under the Paycheck Protection Program ('PPP"). This amount is included on the statement of financial position as of August 31, 2021; however, the Council expects the loan to be forgiven as it is spent in accordance with terms of the PPP. The Council expects to recognize the full \$107,785 as income in the next fiscal year.
