

Summer Intensive Language Program in Morocco *June 8 - July 17, 2015*

APPLICATION FORM

The National Council on U.S.-Arab Relations (NCUSAR), in collaboration with **The Arab-American Language Institute in Morocco (AALIM)** for the summer of 2015, is pleased to announce its Summer Language Program in the Kingdom of Morocco. Students will spend **six weeks** in historic Meknes, Morocco taking part in intensive Arabic language instruction. Students at all levels of Arabic proficiency are encouraged to apply.

Students will spend four (4) hours each weekday in formal Modern Standard Arabic classes, as well as complete out-of-the-classroom assignments. The AALIM center is host to a community of Arabic learners throughout the summer, providing for a fully immersive program. Students may elect to take an additional three (3) hours of Moroccan *Darija* dialect classes a week for an additional fee.

Those selected will also gain direct personal experience in Moroccan culture, history, and society through a variety of day excursions, local outings, workshops and demonstrations. Meknes is an ideal setting for students to focus on learning Arabic while exploring ancient and modern Morocco. The two AALIM classroom buildings are located inside the traditional walled old city, called the Medina, an area which features heavily in the Western popular imagination of Morocco. Meknes is also a thriving modern metropolis of over one million residents. The AALIM center is just a short walk from both the center of the Old Medina and the bustling town center in the New City, known as the Ville Nouvelle.

Program Costs: The program fee is \$3,572.00. The fee includes the following:

1. Facilities and Student Support: Classrooms equipped with computers connected to plasma televisions and DVD players; a teaching assistant available outside of class for tutoring; an onsite coordinator capable of communicating in both Arabic and English who is completely familiar with the city and its resources, such as doctors, dentists, transportation, internet cafes, etc.; educational materials, such as copies of exams and supplementary materials, excluding textbooks; welcome dinner upon arrival, and final party including food and beverages with live music; and full use of the AALIM Center public spaces and free wifi (with your your own devices) during open hours.

2. Academic Activities: Four (4) hours per weekday classroom instruction, plus two (2) hours of available office (or by appointment) hours per weekday; first-day orientation and historical-cultural tour of Meknes; three (3) lectures or local outings in Arabic or English; and three (3) workshops or demonstrations in Arabic; a group day study visit to Volubilis and Moulay Idriss, to include accompanied transportation, a guide at Volubilis, and bag lunches; and a group day visit to Chefchaouen, to include accompanied transportation, tour of the village, and local lunch.

3. Room/Board: Housing and two meals with a Moroccan family; family home-stays are generally double-occupancy at AALIM's discretion in order to provide the best possible educational setting. Some single-occupancy rooms may be available. Host families may have internet but are not required to; free internet is available during opening hours at the Center and some local cafes offer it as well.

4. Optional Upgrades: Classes in Moroccan dialect Arabic (*Darija*) for three (3) hours per week for an additional \$180.00 (minimum class size and previous Arabic experience of 1 year required); single-room accommodations may be available for a supplementary fee.

Eligibility: Applicants must be enrolled in an accredited college or university in the United States, and must be in good academic standing. Eligible students will be required to complete the application process described below. **Applications are due March 31, 2015.**

About Morocco

The United States and the Kingdom of Morocco share a long and rich history. Relations between these two countries date back to the earliest days of U.S. history, Morocco being the first foreign nation to diplomatically recognize the newly founded United States. Both nations share important interests in the Middle East, as they both seek sustained and strong engagement to identify priorities of economic, social, and political reform. Even with the strength of the Moroccan-US relations, discourse in the United States about Morocco is dominated by high-profile but contained events, and often sensationalized events, together with periodic reports in the media that highlight occasional tensions between the two countries' foreign policies without providing proper context, background, or local perspectives, resulting in a shallow understanding of the country by Americans as a whole.

Morocco remains a key American ally in the Middle East and North Africa, and stands alone among Arab countries in many respects. The country has deep historical and cultural ties to both Europe in the north, and sub-Saharan Africa in the south. Nevertheless, these influences blend effortlessly with Arab, Jewish, and Berber heritage resulting in a culture that is uniquely Moroccan.

Form 2: Medical Treatment Responsibility

All medical costs incurred in Morocco are not included in the program fees. If I need a doctor and am unable to pay due to illness or otherwise AALIM will advance funds for my doctor’s visit. I, _____ (applicant’s name), the undersigned, agree to reimburse any medical costs advanced by AALIM. I agree to keep receipts for any doctor’s visits, medical treatment, and medication to submit to my U.S. insurance company, _____ (name of insurance company). If I am ill and refuse professional medical treatment, I understand that under Moroccan law (article 431 of the criminal code), AALIM is obligated to arrange a medical visit for me should my condition be deemed serious. I understand that I will be responsible for the cost of this. If I refuse medical treatment for religious reasons, I must provide a statement on a separate sheet of paper explaining these circumstances.

Note for budgeting: a doctor’s visit in Meknes generally costs \$50.00 USD or less; medications for common problems such as diarrhea and/or vomiting may cost between \$25.00 USD and \$50.00 USD. Although it is unpleasant to think of being ill while abroad, travelers sometimes encounter new circumstances and germs their bodies are not used to, and it is best to think ahead.

I UNDERSTAND THAT I AM RESPONSIBLE FOR THE COST OF ANY MEDICAL CARE I NEED WHILE IN THE AALIM PROGRAM. IF ALLIM ADVANCES MONEY FOR THE COST OF MEDICAL CARE, I AGREE TO REPAY IT WITHIN A WEEK, OR UPON LEAVING THE PROGRAM, WHICHEVER COMES FIRST.

Form 5: Family Home Stay Preference

This form is used to make the best matches possible between students at AALIM and Moroccan host families. AALIM will, to the extent possible, take your requests into consideration but we cannot guarantee your preferences. Not all home-stay families are within easy walking distance to the AALIM center; any transportation costs are the student's responsibility. Home stays offer obvious advantages: you will experience daily life in Morocco as it is actually lived; you will use your new knowledge of Arabic and particularly of *Darija* (the Moroccan dialect) on a daily basis in real situations; and many students find that home-stays are an exceptionally enriching and worthwhile experience. However, you should be aware that you will likely encounter cultural differences that may be challenging for you. Among the aspects of life that you may find different with your home-stay host family are a different concept of how much privacy is needed, meal times or food that you are not used to, more noise than you may be used to, and so forth. All Moroccan family stays are alcohol-free, as are other AALIM accommodations. To take full advantage of your home-stay experience, you are encouraged not to speak English, even if you are assigned to a family who is hosting another English-speaking student. For security reasons, you must reside with your assigned family and keep them apprised of your whereabouts when not at home; in the case of irreconcilable differences, AALIM will place you elsewhere.

To help us find the best home stay family for you, please complete the following:

1. STUDENT'S NAME: _____
2. STUDENT'S INSTITUTION OR GROUP NAME: _____
3. STUDENT'S GENDER: _____ 4. STUDENT'S AGE: _____
5. Do you smoke? (Yes or No) _____ 6. List any allergies: _____
7. Do you have any medical problems that could affect your home stay?
8. Are you a vegan, vegetarian, or do you have any other specific dietary restrictions? If so, which, and how strict are you in this observance?
9. How far are you willing to walk between your host family and the AALIM center (in time or distance)?
10. Please make any other comments that will help us match you to a family (personal habits such as going to bed very early, or strong dislikes, fears, interests, refusal to live in a home with a smoker, etc.):

Form 6: Affiliation Contract

All applicants are required to 'x' the boxes and sign below indicating they have read and understand the following agreements. Applicants must also answer all the questions found in this section:

 Financial Responsibility – I understand it is my responsibility to cover the cost of the entire program.

 Medical and Repatriation Costs – I understand that potential medical and repatriation costs are not covered by the program and are the responsibility of the participants. Participants are highly encouraged to check with their current healthcare provider for information, and to purchase travelers insurance as needed.

 Personal Conduct - I understand that I am a representative of my university, of the National Council, of the Arab-American Language Institute in Morocco, and of my country at all times and in all public places. I agree to abide by the laws of the United States, the Kingdom of Morocco, and any state where I may be domiciled or present. I agree to accept and abide by the rules and standards of the AALIM Center and to conduct myself professionally and to the standards of internationally accepted personal behavior at all times. I further understand that my failure to meet these laws, rules, and standards may result in me being expelled from the program.

1. Have you ever been found responsible for a disciplinary violation at any school you have attended, whether related to academic misconduct or behavioral misconduct that resulted in your probation, suspension, removal, dismissal or expulsion from the institution?

 YES NO

2. Have you ever been convicted of a felony?

If you answered yes to either or both questions, please attach a separate document(s) that gives the approximate date of each incident and explains the circumstances.
